

Key Issues from the meeting held on Monday 17th March 2015

WILLASTON
Residents' and Countryside Society

Post Office

The Post Office will move into Martins from 10th July, following the consultation last year. At this stage Martins will also stock alcohol but will retain its existing opening times. Following the concerns expressed in the consultation, there will be a larger area at the front to cater for queues and two new security cameras will be installed. We will be inviting a representative from the Post Office to our next meeting to discuss the plans in more detail.

Play Area

Work on the play area will take place between 20th April and 22nd May, during which time the facility will be closed. The work that will be done includes a new climbing unit and swings for younger children, a new entrance and path around the equipment, a cantilever swing, mounds and a tunnel, a football area with children's goals, a seating area for adults and log seating for children. The full details can be seen on our website.

Friends of Hadlow Road Station

An independent group has now been established to support improvements at Hadlow Road Station. It's initial focus will be to tidy up the area do some repairs, working closely with the Council. Come and help tidy up plants and bushes on Sunday 12th April at 10am.

Bus Services

The Community Transport bus to Chester and back will continue to run on Wednesdays until June and then be reviewed. Unfortunately, it is not well used at the moment.

The 272 will operate a reduced timetable on Saturdays from 4th April.

There is a new bus service that goes to Arrowse Park Hospital on Tuesday evenings.

Footpaths

Five new kissing gates have now been installed on the footpath running between New Hey Lane and the A540 (FP37). This means that gates have now replaced stiles throughout the parish, thanks to the work of our Footpath Officer. If you have any concerns about footpaths, please email willastonfootpaths@outlook.com.
