EXTRA INFORMATION

1. Objections this month are placed for two properties sitting within Willaston Greenbelt land. Please note that objections are made on behalf of the residents (some of whom contact us via the website, some via email, some via Facebook). We understand the desire to build, and we stress that the objections to the proposed buildings are never personal. If you feel strongly about protecting, or developing the greenbelt then please do get in touch with us and open dialogue. Objections are made when multiple village residents raise concerns.
