

Willaston and District Horticultural Society

The Horticultural Society has had a show in August since the early 1900's.

In 1983, the show was in the Church Hall on a blistering hot summer day.

Philip Morris (aged 8) was the winner of the Harlan Taylor Cup for the most points in the children's section, with his winning vegetable animal and flower arrangement.

Three generations of the Legg family were among the prizewinners in the flower arranging classes.
